TAME THE SURFACE!

Exploit the immense, wild potential of polytouch.

UNIVERSAL USE

The polytouch is suited to use in a wide range of industries and for diverse applications. Thanks to its compact design and integrated computer, only a plug socket is needed to connect it.

The device works like a supersized iPhone. The apps are controlled by touch and hand movement – with up to 10 points of contact possible at the same time! Several users can therefore use the polytouch simultaneously and discover new products easily and intuitively.

APPLICATIONS

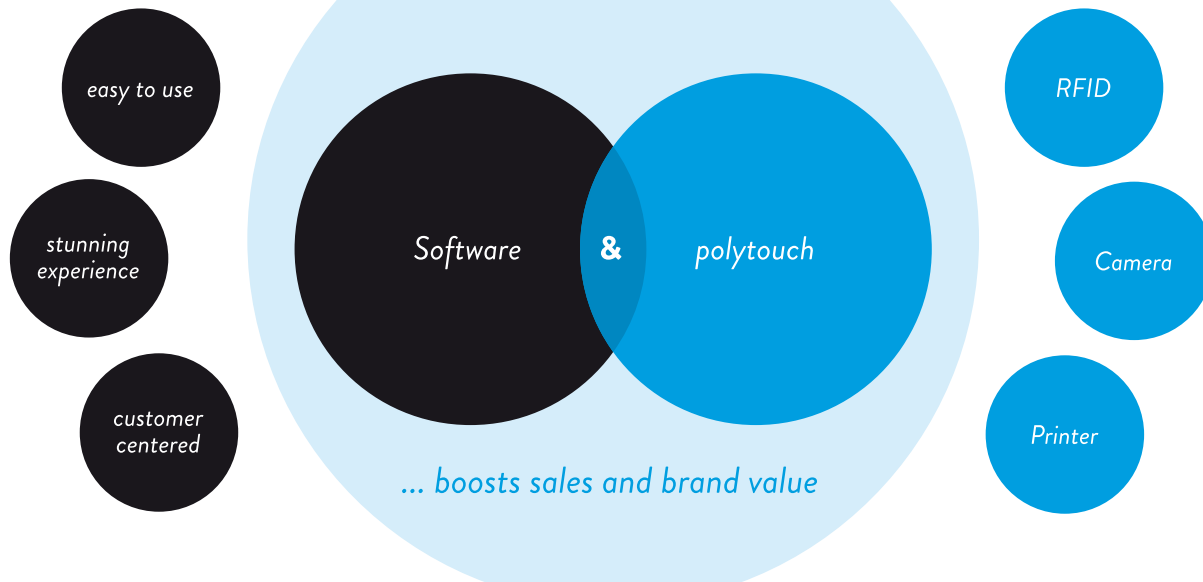

- *Point of sale*
- *Self check-out*
- *Trade fair & event*
- *Promotion*
- *Showroom*
- *Hotel & hospitality*
- *Personal entertainment*

THE ULTIMATE MACHINE

The Pyramid polytouch offers customers a unique interactive experience. Providing a range of valuable services, it entices customers, directly encouraging sales and increasing turnover as a result.

Peripherals such as voucher printers, RFID scanners and cameras can be integrated to form a compact system – the possibilities are endless.

Corporate Karma develops tailored applications for the polytouch, designed to meet your specifications and the needs of your customers. We will provide you with a customized package containing powerful, modular, all-in-one hardware and software that is intuitive to operate.

ALPHA ALIEN APPLICATION

At promotional and trade show events for drinks or convenience foods.

CONCIERGE APPLICATION

As a self-service terminal for the hotel and restaurant industry.

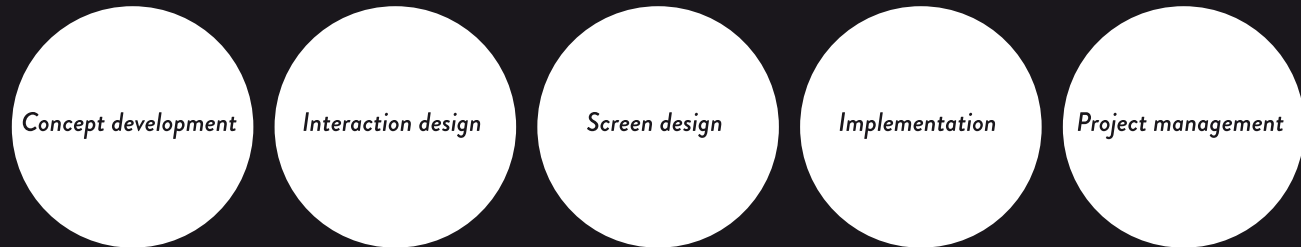

CORPORATE KARMA

We aim to create an enjoyable experience for your customers. In other words, we provide a positive user experience, taking into consideration all aspects of user-application interaction.

We have over 20 years of experience in conceiving and designing digital solutions for marketing, corporate communications and e-commerce. So why not use us to support you in implementing your polytouch project?
